

## **Dorset Music Service Musicianship Programme**

### **Sheet 1**

#### **Today we:**

Learnt how to put our clarinets together, clean and look after them

Made our first sounds

Learnt the music letter names ABCDEFG

#### **This week:**

Ask a parent to help you put it together

Aim to try your clarinet at 4-7 times before the next lesson.

When you practise play long, even sounds – trying to make your best sound.

#### **If you get no sound:**

Put MORE mouthpiece in your mouth

#### **If you get squeaks:**

Put LESS mouthpiece in your mouth

#### **Before next lesson:**

Make sure you have kept trying to make a good sound

Put your clarinet near the door the night before your next lesson so you don't forget to bring it!

Remember to keep trying, play a little and often. Look after your clarinet, especially the reed.

See you next week!
